Bespoke services

Looking for something unique to you?

Any of our packages can be tailored to your individual taste and requirements. If you have a specific theme, colour scheme, or even just a favourite piece of fabric, we can provide a bespoke consultation service and source items especially for you.

For just £50 we will provide a one hour initial consultation and follow up meeting to show you some design ideas and samples and give you a quote, with no obligation. Choose from handmade vintage themed gifts, party bags, table decorations and bunting to list a few.

We aim to offer a personalised service and pride ourselves on our individuality so even if we don't have something in stock we are happy to design and create something just for you.
